

**Company:** KamiLimu Software  
**Position:** Junior Web Developer  
**Location:** Nairobi  
**Type:** Full-time

**About KamiLimu Software:**

KamiLimu Software is a forward-thinking technology company dedicated to building innovative software solutions that drive positive change. We are passionate about using technology to solve real-world problems and are committed to fostering a culture of creativity, collaboration, and continuous learning. As we expand our team, we are seeking highly driven and innovative individuals who are eager to grow and contribute to exciting projects.

**Responsibilities:**

- Develop and maintain web pages using HTML and CSS.
- Implement basic interactive elements using JavaScript.
- Assist in building and maintaining front-end applications with React JS.
- Work with Node.js to support back-end functionality.
- Perform basic operations with PostgreSQL databases.
- Collaborate with other developers and designers to integrate UI/UX designs.
- Assist in securing web applications through basic authentication techniques.
- Participate in code reviews and follow best practices for version control using Git.
- Debug and troubleshoot simple issues within the application.

**Requirements:**

- Fundamental knowledge of HTML and CSS for web development.
- Basic understanding of JavaScript for front-end interactivity.
- Experience with React JS for building user interfaces.
- Familiarity with Node.js and PostgreSQL for back-end and database operations.
- Basic understanding of web application security and authentication methods.
- Experience with Git for version control.
- Eagerness to learn and adapt to new technologies.
- Strong communication skills and ability to work within a team.
- Ability to follow instructions and meet deadlines.

**Preferred Qualifications:**

- Internship or project experience with web development technologies.
- Basic knowledge of API integration.

**Benefits:**

- Competitive entry-level salary.
- Mentorship and training opportunities.
- Health and wellness benefits.
